

Baycroft Student Voice Council (SVC) Minutes		
2/5/18	Period 1	Room 4
Meeting called by	KMa	
Attendees	Student Voice: CL,DH,MG,JT,EH,DF,AN,DM,LA,CP,KR,DT,OS,KB,FM Student Governors: LL, RA Staff: KMa, JR	
Welcome		
Discussion	KMa welcomed SVC and outlined all items on the agenda. Absences: MC (Student Governor), JH, CWP	
Item 1: Student Voice Council Actions and Outcomes		
Discussion	<ul style="list-style-type: none"> All classrooms now have recycling bins We now have a music club running as part of Friday activities which the Student Voice requested With regard to classes being outside during tutor time, this is at the discretion of the tutor. Sometimes the time outside is used as a reward. Friendship club is running. 	
Item 2: Tutor Group of the Week		
Discussion	<p>As requested KMa enquired about having a Tutor Group of the Week as part of Friday achievement assembly. We have been asked to compile a list of things which could be used to decide which tutor receives the recognition and how this would work. Ideas were:</p> <ul style="list-style-type: none"> Most purples Most purples vs reds Most Accelerated reader / Maths completed Could be an ongoing KS3/KS4 things with a reward at the end of the year 	
Action	KMa to speak with MH and CS about implementing this	
Item 3: Whole School Trip		
Discussion	SVC are happy with Paulton's Park for the whole school outing and they agree that it meets most of the needs of our pupils. Many members of the SVC also highlighted that if time constraints due to transport were not an issue, another good alternative would be Chessington's as this also has rides that are suitable for all and has good disabled access.	
Action	KMa to share findings with MMi	
Item 4: School Meals		
Discussion	Much consultation has been done with Gayle in the kitchen. Pupils are generally happy with the hot meal selection. The main difficulty is now surrounding which rolls / sandwiches have butter on. Gayle has said that any specific requests can be made –such as no butter- to tutors and that she receives these in the kitchen. The other question was raised regarding being allowed to use salt sparingly on chips.	
Action	KMa to inform tutors and ask Gayle about Salt usage.	
Item 5: A.O.B,		
Discussion	<ul style="list-style-type: none"> During MFL week, please can we ensure that foods during food tastings are kept separate from each other as many will not eat something that has touched an item that they do not like? Wet lunch – Is there a way of changing the way this is operated? Many pupils struggling with being inside over crowded rooms during times of little structure. Often pupils have friends in different year groups. Could Ali's Den be used? Could squash be made readily available on warmer days to ensure that people drink? Many students do not drink water. Could photography club be open to more year groups? Is there an alternative to Wordshark which is more akin to Sumdog? Can ear defenders be made more readily available for woodwork Can we have a swimming pool Please can medically trained staff ensure that there is someone available before lunch as some of the pupils cannot eat their lunch until they have seen them? 	
Action	KMa to speak with relevant personnel	
Date of next meeting: 14 th June 2018 - Venue TBC.
