

1

Welcome to Year 11

You will remain with your Key Stage 4 Tutor for your final year

You will continue working towards your qualifications by doing coursework and exams

2

Look out for and book onto **college open events. Visit the colleges and ask questions**

Come to the **Post 16 Options evening** at school

September and October

3

Get ready for your **careers interview** which will take place in school, by thinking about your personality strengths and career ideas

Autumn Term

6

Colleges will let you know if you have been **offered a place**. You accept the offer from your chosen college and turn down any other offers

Spring Term

5

You will have a **College Interview** so you and the tutors can make sure it is the right college course for you

Spring Term

4

Apply for a place at your chosen college/s by filling in an application form/s

Autumn Term

7

Visits will be arranged to your chosen college, so you can meet the staff, make new friends and see the campus

Summer Term

8

Continue to **work hard** for your exams in the Summer Term

Get your **exam results**

Summer

9

Start college

You will start your new college course and make some new friends!

September
