Matters arising - Tutor concerns/issues/areas and ideas for development - feedback from each tutor rep.

(This is written in the students' words:)

- New basketball nets, basketballs and footballs.
- More access to toilets at break and lunch.
- Football area sliced in half, so other students can have access, without feeling intimidated by stronger characters.
- New football nets
- More TFL lessons.
- An additional door in room 9 so that when Students from room 10 are dysregulated in the hallway, KL can still get out at break and lunch.
- New lunch options (i.e., puddings, where you get a choice) better quality and quantity.
- Cod instead of fish fingers.
- Every term, changes made to the menu.
- More sensory toys for students that need them.
- Harder punishments for swearing as it is offensive to a lot of students.
- Higher gates.
- Clubs at break and lunch including Lego, drama and a stand-up comedy club
- Basketball court repainted.
- No ice cream in the winter, maybe cake with hot custard.
- A vending machine installed as other secondary schools have them.
- Look into getting Maths Rockstars X Tables.

- Benches repainted.

House Challenge ideas:

Team building exercises for house colours.

Calendar:

Next house meeting arranged for 10th January 2023, time and venue TBC.
