

# Yellow House Meeting. 09/12/22.

Introduction:

1. We welcomed and introduced all tutor representatives.
2. Made apologies for the two members absent: Dylan & Lewis .
3. In attendance: Miss Tier, Ruby , Alfie , Lennox & Robert .
4. Discussion opened up about any problems, issues or ideas that anybody wanted to mention.
5. Ruby: Students have mentioned to her that the roundabout is too slow & it needs to be oiled.
6. Robert: Wants to bring back Friday afternoon fun clubs, every week like we had before Covid. Lennox was in agreement. It was explained to Ruby & Alfie as they had not experienced them during their time at Baycroft.
7. Robert: Himself & others do not like the inclusive toilets located by LF tutor room.
8. Ruby: Monkey bars are too high. Could they be adjusted so more students could use & enjoy them? The ropes too. Also could another step up be added to aid use as many students are too short to reach them. Robert & Alfie both said it is dangerous when Students climb high and go above the bars. They suggested those found doing so should receive a warning by way of a orange stamp as a deterrent.
9. Alfie: Noted that the Pyramid is too congested as too many students gather on it. That the clutter of bags & coats makes it dangerous and not an enjoyable place to sit and relax. Some signage to be added & something purchased to help stop it from being so slippery.
10. Alfie: Tuck Menu is boring & more variety is wanted both sweet & savoury. Place a suggestion box for students' ideas. Agreed by all.

11. Robert: Some rooms are cold and would like access to warm drinks.

A.O.B.

All were advised that these meetings will happen once every half term.

Told that the House Captain will lead future meetings whilst I log the discussions.

That my role is to pass on the information received from the meetings to Mrs Povey, Miss Miles & the Governors so that actions & decisions can be made.
