

House Captains' Meeting

Monday 8th January

Minutes

1. House Captains fed back to Ms Miles the top 5 ideas put forward by the Student Voice Representatives.
 - A) Introduction of the 'Hot Tuck Service'
 - B) Goal nets
 - C) Lock on Toilet door outside room 21
 - D) Issues raised regarding roundabout
 - E) Use of gates entering and leaving the school
 - F) Year 11 common room

Actions:

- A) Ms Miles met with the Hampshire caterers on Thursday 18th January to discuss the possibility of this. We are going to trial this for two days per week after half-term. There will be 4 choices: fish finger sandwiches, brownies, pizza slices, some cake or cookies and/or brown bites – there will be some sort of rotation to test popularity. This will be a Tuesday and Friday breaktime as a trial. More information to come.
- B) Mr Bright has confirmed that he will be painting the posts first and then there will be new nets, replacing the old ones.
- C) The lock on the toilet door outside of room 21 has already been replaced.
- D) Mr Bright has 'greased' the roundabout so this should help now. Can you feedback if this has helped?
- E) Ms Miles has emailed all staff informing them that students should use the gates that are nearest to the classroom on your way into school and use the gate that is usually nearest to your bus on the way out of school.
- F) Mrs Povey and Ms Miles to discuss further this week.
